P.U.C.

Letter No.30/33, dated the 27th October 1933, from the Bangalore Commercial Association, 1, Commercial Street, Bangalore.

The Bangalore Commercial Association is a body similar to the Bangalore Trades Association, formed about a year ago for the purpose of furthering the interests of trade in Bangalore. It is stated p.u.c. that the Association has now a membership of about 50 leading merchants in Bangalore Cantonment. A license to register the Association under the provisions of section 26 of the Indian Companies Act, 1913, was granted by the Resident (as Local Government) in March 1933.

There is already one Trades representative on the Commission (elected by the Bangalore Trades Association) and it does not appear that there is any necessity for another member on the Commission to protect trade interests. Every Association that may be formed in the Station from time to time cannot evidently claim to be entitled to be represented on the Commission by one of its members. In fact, the Bangalore Trades Association is the only Association in the Station which has been allowed to return a representative of their own on the Municipal Commission. The Bangalore Commercial Association, on behalf of which the present application has been made, as stated already, was formed only about a year ago. Moreover, there is no vacancy on the Commission and an additional Commissioner cannot be appointed without the sanction of the Government of India.

It is perhaps unnecessary to call for the Collector's remarks on the p.u.c. or to receive a deputation from the Association. If approved, a reply may be sent to the effect that the Hon'ble the Resident

regrets

regrets that the Association's request to be represented on the Commission by one of its members cannot be granted.
